

WINDGAP FOUNDATION GALA BALL 2021

Caribbean Nights

Saturday, 8 May 2021 • The Fullerton Hotel, Sydney

With your help we can make a difference!

The Windgap Gala Ball provides an opportunity for you to strengthen our community and encourage social inclusion and participation for adults with intellectual disabilities.

As our largest fundraising event of the year, our goal is to raise much needed funds for continual improvement and expansion of our programs and services at Windgap.

With your help we can play a vital role to continue the Windgap Mission, which is *"to improve the quality of life of people with an intellectual disability by supporting them in reaching their full potential and raising community awareness as to their needs and aspirations"*.

Together, we can make a difference to ensure adults with intellectual disabilities have an abundance of opportunity and have access to the highest quality programs and services, which will enable them to live life to the fullest.

Thank you for your support,

Tim Sunwoo
