## About Us

The Windgap Foundation is a not-for-profit organisation, started by a group of parents over 65 years ago to provide education to their children with intellectual disabilities in the Eastern Suburbs of Sydney.

Today, as in the past, our person centred approach is at the heart of everything we do and we pride ourselves on providing quality programs and support to empower adults from 18 to 80+ years old to reach their goals...and enjoy life!

Our NDIS registered programs and services include:

- Plan Management
- Support Coordination
- School Leavers Employment Support
- Life After Work Program
- Day Programs – recreational, sport and community participation
- A range of Learning and Life Skill Programs
- Supported Employment Service
- Social and Community Programs
- Supported Living (Group Homes)
- Growability – our landscape employment initiative
- Making Airwaves – our unique radio program initiative
